Caster Kit for Tripp Lite 4-Post Open-Frame Rack Systems

Model: SRCASTER

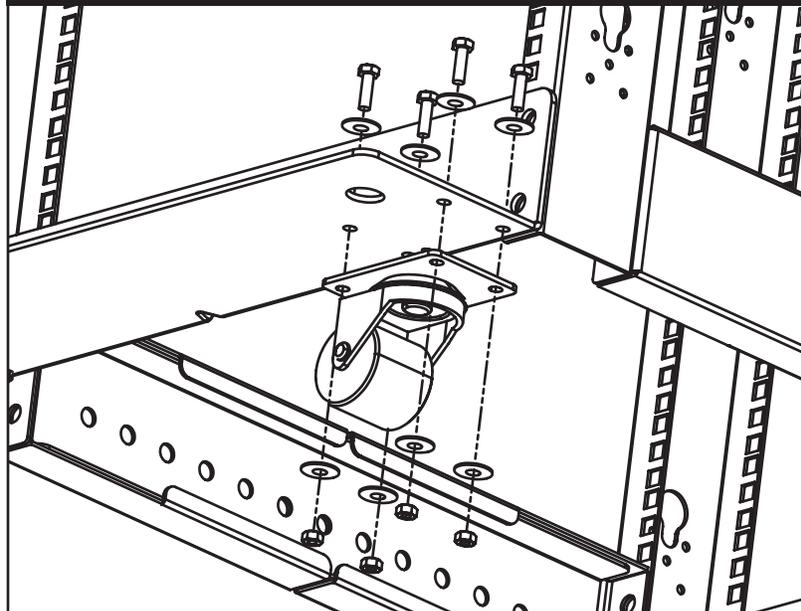

The SRCASTER Kit consists of four (4) casters with required locknuts, washers and bolts for installation on Tripp Lite 4-Post Open Frame Rack Systems (Model SR4POST). The casters install to the base plates of the racks using the pre-drilled holes as shown in the illustration below.

WARNING! Do not attempt to install casters with equipment mounted in the rack. Remove all equipment from the rack before installing casters. Failure to heed this warning may result in damage to rack and equipment or personal injury.

Installing Casters: SR4POST Open Frame Rack

Repeat for all four casters.
